

forcebalance.quantity.energy
_derivatives

```
graph LR; A[forcebalance.quantity.energy  
_derivatives] --> B[forcebalance.finite  
_difference.f12d3p]; A --> C[forcebalance.finite  
_difference.fdwrap];
```

The diagram illustrates a hierarchical structure. A central gray box on the left contains the text 'forcebalance.quantity.energy' followed by a line break and '_derivatives'. Two blue arrows originate from the right side of this box. The top arrow points to a white box containing 'forcebalance.finite' followed by a line break and '_difference.f12d3p'. The bottom arrow points to a white box containing 'forcebalance.finite' followed by a line break and '_difference.fdwrap'.

forcebalance.finite
_difference.f12d3p

forcebalance.finite
_difference.fdwrap
